

**STUART F. WASON, FSA, FCIA, MAAA**

**MMC Enterprise Risk Consulting, Ltd**

Stuart Wason is Managing Director and Canadian practice leader of MMC Enterprise Risk Consulting Limited (MMC ERCL), an operating entity of Marsh and McLennan Companies (MMC). He is a Fellow of the Canadian Institute of Actuaries, a Fellow of the Society of Actuaries, a Member of the American Academy of Actuaries, a Fellow of the Actuarial Society of India and an Honorary Fellow of the British Institute of Actuaries. He holds a Bachelor of Science degree from the University of Toronto.

Mr. Wason has over 25 years of actuarial, financial reporting and insurance company management experience. Since joining MMC ERCL in 1992, he has been active as an advisor on enterprise risk management, the Appointed Actuary for several life insurers, the valuation actuary for the liquidator of two life insurers, the Independent actuary in the purchase/sale of several blocks of life insurance business, the Independent Actuary in the demutualization of Mutual Life, the peer reviewer of the valuation of life insurers, and an actuary responsible for preparing appraisals of life insurers.

Mr. Wason has been actively involved in the work of the Canadian Institute of Actuaries. He is a Past President of the CIA (1999-2000). He is currently leading a Solvency Working Party of the International Actuarial Associations Committee on Insurance Regulation. He has served on the CICA Task Force addressing changes to Section 4210 of the CICA Handbook and has been a member of the CIA Role of the Appointed Actuary Committee. He is a former chairperson of the Canadian Institute of Actuaries' Committee on Life Insurance Financial Reporting. He is co-author of the CIA Valuation Technique Paper on Valuation of Single Premium Annuities as well as being a frequent speaker at international insurance and actuarial conferences.
